Blue Peel Radiance

Easy to use salicylic acid based peel - glowing result - gentle, safe but highly effective

Instant, glowing results for a wide range of skin types

- Immediate glow and freshening effect
- Fades sun spots and freckles
- Freshens skin on neck, chest and hands
- Perfect pre wedding treatment for brides, mother of the bride or groom
- Suits many skin types
- 20 minute treatment with little or no downtime

This is an easy to use salicylic acid based peel. The guess work is taken away as to what peel is right for you because Obagi Blue Peel Radiance is appropriate for a large range of skin types. For best results, we recommend a series of 4-6 peels in 2 week intervals but you still see results after only one treatment.
